Mary, not sure if we responded, but thanks for the heads up on this. We do have DEC and DOH staff attending and look forward to seeing your folks there too.

Thanks,

Sean

Just a heads up that EPA is also sending a few people to this meeting in Petersburg next week (Pat Evangelista and Larisa Romanowski). This is a note from the organizer characterizing the meeting, including the fact that state agencies will be there:

The Concerned C8 Citizens will be meeting on 7/26/16 @7pm at the Petersburg Veterans Memorial Hall. The address is 71 Main Str. Petersburg NY 12138. Representatives from DOH, DEC, Agriculture and Markets, and Kathy Jimino will be presenting updates to town on pfoa and the status of the landfill on Jones Hollow Road. They will be answering questions from the citizens of Petersburg.
